

JEAP Initiative Training Institute Primary Mentor Agreement

Applicant's Name:

Primary Mentor's Name:

Primary Mentor's Title:

Primary Mentor's Primary Institution:

Primary Mentor's Relationship to Applicant (e.g., graduate school advisor, postdoctoral fellowship mentor):

Status of Applicant's PhD:

Applicant has completed PhD

Applicant has advanced to candidacy for PhD

Expected completion date:

Other (please describe):

The Applicant is applying to become a Trainee in the JEAP Initiative Training Institute. This Training Institute, supported by the National Institute on Drug Abuse (R24DA051950), is a virtual 2-year individualized training and mentoring program designed to support Trainees in becoming NIH-funded researchers focused on recovery support services. The Training Institute includes:

- A 3-day virtual Training Workshop
- Two years of secondary mentoring from one of the JEAP Initiative Investigator (to be coordinated with your ongoing primary mentorship of the Applicant)
- Access to various seminars
- Access to pilot study and travel funding
- Opportunities to collaborate with and get feedback from three national Community Boards, a network of peers, and (as needed) expert consultants.

Please read and determine if you agree with the following:

I understand that the JEAP Initiative Training Institute is intended to supplement, not replace, the mentoring and training received at the Applicant's primary institution and/or from the Applicant's primary mentor. As the Applicant's primary mentor, I support the Applicant's application to the JEAP Initiative Training Institute, and I agree to meet with the Applicant and the Applicant's JEAP Initiative mentor on a mutually agreed upon basis (no more than monthly) to collaborate on the Applicant's plans and advancement.
